

January at BMS

From the Desk of Mrs. Herrick

A big thank you to the BMS student councils for the activities they planned and prepared for our Holiday celebration! Students had a blast decorating cookies, crafting, gaming and dancing.

I hope this letter finds students and families feeling rested and relaxed after the holiday break. Although this often feels like the halfway point in our school year, that date is actually not until the end of January.

Parents Teacher conferences will be held on Thursday, January 26th from 4pm – 8pm and on Friday, January 27th from 8am – 12pm. Please watch for more information on scheduling a conference in the weekly email from your child’s teachers.

This is an important time to talk with your child about their progress so far this year and the goals that they have for the remainder of the year.

As always, we encourage you to check your child’s grades, and for any missing assignments they may have, by utilizing Skyward on a regular basis.

While the weather outside is still rather frightful, students will go out for recess on a daily basis unless it is deemed too cold. Please be sure they come to school prepared with coats, hats and mittens. Those that want to play in the snow should also bring boots.
